

The Reginald Mitchell Primary School

Year 1

Newsletter

At The Reginald Mitchell Primary School, we believe that children have a right to expect a curriculum which is fun, motivating, interesting and most importantly purposeful. We strive to develop imagination through a stimulating, creative environment where every child has the opportunity to shine. Above all we strive to develop a modern, world-class curriculum that will inspire and challenge all learners and prepare them for the future.

We hope you have had an enjoyable Easter holiday. We are excited about what this term has to offer and look forward to working with the children.

Thank you for your support – L. Mansell, L. Caton, L. Slezak

In English we will be focusing on

- Using connectives in our writing to extend our sentences and give more information.
- Using different sentence openers to make our writing more interesting, beginning each sentence in a different way.
- Writing a recount – using time connectives to sequence our sentences.

In maths we will be focusing on

- Sorting numbers and objects and arranging them in patterns and sequences.
- Creating graphs and using them to answer questions.
- Addition and subtraction and applying our understanding to solve word problems.
- Knowing number facts – number bonds to 20 and 2, 5 and 10 times tables.

Our topic for this half term is

Come Fly with Me!

This term we have had very special delivery of Living Eggs to the classroom! Most of the eggs have hatched and we are looking forward to watching and observing the chicks.

We will also visit Jodrell Bank and learn, amongst other things, about the life of Neil Armstrong, the first man to walk on the moon.

Other useful information

- P.E. days are Mondays.
- Planners and reading books to be returned daily.
- Homework to be given out Friday and returned by the following Wednesday.
- Drop-in for parents is Thursday at 3:15-3:45.
