@ReginaldMitch

What a fantastic week we have had this week! Year 4 have been to Peak Wildlife Park and had a fab day out. On Thursday we held the Summer Fayre and I was so pleased to see how many parents and children attended. Everyone had a great time playing the games and taking part in the activities. I would like to thank the PTFA for making it such a great event. It isn't easy trying to organise an event like the Summer Fayre but they did an amazing job and made sure it ran like clockwork. Another person to thank is Heather Robbins who provided the gazebos, without which we would all have suffered heat stroke!

The other big news this week was that we had our poly tunnel installed. I really can't wait to see all of the exciting learning that will take place now that we can actually grow our own plants and vegetables. Again this would not have been possible without the hard work and commitment of the PTFA who paid for the poly tunnel and installation.

Thank you to everyone who has sent in an Anti-Bullying poster for our Superhero competition. The winner will be announced before the end of term and the new class superheros will be voted for in September.

Team point rewards have been counted and this term's winner is the **GREEN** team.

Each class have voted for their favourite reward and it seems that the majority of children wish to have a party in the hall. This will happen during the last week of term. Well done everyone!!

If your child would like to buy a lolly from the kitchen at lunchtime please ensure their money is in a sealed, named envelope. This avoids money getting lost and children getting upset.

Thank you

We had a great week last week. All children took part in lots of different sport activities and learnt lots of new skills.

The children learnt how to stay healthy and the importance of exercise. Well done to everyone who took part and for coming in sport clothes.

Y4 had a amazing trip to Peak Wildlife Park finding out about animals and their habitats. Children loved the talk given by Tammy, our guide. Even the lemurs enjoyed joining in with our talk!

Sports day—well done everybody who participated and a BIG thank you to the PTFA who helped organise the event.

Parentpay

Could parents please make sure that any outstanding monies for dinners / after school club / snack / trips is cleared as a priority.

As we come towards the end of term we need to make sure all items are paid for in full.

School has to fund these unpaid items which takes money away from buying resources for children.

Thank you

ASM are running Sports clubs over the summer holidays for children between 4-12 years old.

The clubs are running at Thursfield primary school and here at Reginald Mitchell.

To book or for more information please contact ASM on 01782 366332 or email sam@asmports.co.uk

We still have a vacancy for a site technician in school for 15 hours per week. Please contact Mrs Smith in the school office for an information pack, application form or further details.
