8th May 2017

Our new breakfast club will be starting from Monday 8th May. Children will be able to come into school, via Spitfires room, from 8.15am and have breakfast before going into school. No pre booking required just come in, pay £1 and start the day with a healthy breakfast!

Head Lice

We know that this is a difficult problem but as a school we need everyone to be extra vigilant regarding head lice. If you notice any eggs or lice in your child's hair then please treat the lice immediately. You should check your children's hair regularly, ideally once a week. We all need to work together to ensure that as a school we combat this difficult problem. Thank you for your support.

We have yet again received complaints from our neighbours regarding parking when dropping off and collecting children and obstructing the crossing patrol's ability to view the road properly.

Please park considerately and not on the zig zag lines or in front of drives. We will be contacting the local PSCO team and asking them to monitor the situation. Thank you for your support.

As the weather improves please ensure children have a water bottle in school.

Y1 drop in session will be changing to Thursday nights from next week
