

Please could you check your Parentpay accounts and make sure any outstanding amounts are cleared as soon as possible for dinners and / or Spitfires Club.

Thank you

Year 4 have had a fabulous week of learning. They have been thinking about different ways to persuade and learning about what they need to include. They even had a go at creating their own Children in Need advert. Why not check our Twitter page to see what else we have been learning?

This week, Year 3 became archaeologists and their job was to dissect Stone Age poo! This helped the children to understand what types of food they ate, during the Stone Age.

Also, I would like to thank all parents who attended Parents Evening, on Thursday evening.

Your support and input is greatly appreciated.
Miss Dobson.

Music Update

We have started preparing for our festive productions for the end of the year. All year groups are having lots of fun learning and rehearsing different songs for the performances.

For our Music Appreciation next week we will be looking at Pachelbel's Canon in D, a very famous piece of music that has stood the test of time and is still being performed throughout the world on a regular basis.

Here is a link for you to listen to the piece at home.
