

# The Reginald Mitchell News

26th Sept 2016

*"work together...learn together...reach for the sky"*

We have been contacted by our neighbour's on several occasions now concerning drivers mounting pavements and blocking drives when dropping off / picking children up.

**Please could we repeat our request for all parents/carers to park and drive safely and with care and consideration around school?** Obviously, we want all our children to stay safe.

Some other reminders -

- Pupils should not play on the adventure play area after school.
- Pupils who arrive late or leave early must be signed in/out at the office.
- If your child is ill please either ring (leave a message if you ring before 8.30am) or email us.
- If you need to speak to your child's teacher please use the drop in sessions, write a message in their planner or send an email. Teachers will get back to you as soon as possible.
- PE kits need to be in school on the days your child has PE. Earrings also need to be either removed or taped up on PE days.
- Please label clothing with your child's name. We already have a full lost property basket!!

## Stars of the week 23/9/16

Rec— **Holly Lester / Filip Mularbzyk**

Year 1 — **Scarlett Riley / Evie Evan Gardener**

Year 2 — **Evan Heywood / Alfie Brookes**

Year 4 **94.8%**

Year 5 **95.6%**

Year 6 **93.7%**

**Last Week's Whole School**

**Attendance 95.6%**

**School target 97%**

## This week.....

**Nursery have been** ..... Exploring all of our new activities and making lots of new friends. Well done Nursery, we have all had a super first week at school!

**Reception have been**.....Talking about our family and home life. We have been reading 'The Large Family' stories and making lists of what Mrs Large will need to buy from the shops to make a healthy meal.

**Year 1 have been**..... Investigating odd and even numbers and sorting them. We have also been reading 'Shark in the Park' and retelling the story.

**Year 2 have been**..... Recapping on number bonds to 10. We have then used that knowledge to improve our numerical understanding. We've also been writing questions to Superkid.

**Year 3 have been**..... Describing settings and characters to help with our adventure stories.

**Year 4 have been**..... learning about the digestive system. We have also been learning about Roman culture including Gladiators.

**Year 5 have been**.....studying WW2 evacuation, reading 'Friend or Foe' and writing letters as evacuees. In maths we have been practising mental addition and subtraction methods.

**Year 6 have been**..... Writing a modern fairytale, adding and subtracting using a mental method, finding out about animal classification.
