Mr Newton's News:

It is my absolute pleasure to be able to tell you about our Year 6 SATs results. The children have done amazingly well and all of their hard work and dedication has paid off. Of the 28 children who sat their SATs 82% achieved the expected level in reading, 86% achieved the expected level in writing and 86% achieved the expected level in Maths. These figures are well above the National average and I would like to congratulate all of Year 6 for their efforts. Achieving results as good as these is not easy and comes as a result of good teaching and parental support, from when children start in Nursery all the way through to Year 6. So well done to all parents and teaching staff who have played their part in Year 6's successful educational journey.
