Inspiring Excellence Together

This week has been a busy one in terms of keeping updated with all coronavirus developments. At this point we have a very clear plan in place to prevent an outbreak and also delay an outbreak and have also put plans into place if we are directed to close the school.

IF this does happen we will share those plans with you. As mentioned last week please just keep talking to your children about hand washing, hand sanitising, avoiding hand contact and coughing and sneezing into their elbow.

Current guidance is that if your child gets a NEW continuous cough or has a high temperature then self isolation is required. If you need help with this decision please call the school office or go to :

House points

Congratulations to **Crocodiles**

Parrots - 589 **Whales -529**

Crocodiles -729 **Lions -702**

Keep up the good work everyone!

The Children First Learning Partnership is officially up and running and coming to the end of its first year. The directors would now like to gather views from our local communities so that we all have a voice in the direction and priorities the Trust should take for over the next three years. Your views are valued, please follow the link to complete a short online questionnaire in order to help us *Inspire Excellence Together* across our wonderful schools. Many thanks.
